

HAMPTON
*Naturally, you'll
 make it here.*

Hampton is Growing!

Since 2005, the number of building permit applications and housing starts in the Town of Hampton more than doubled. Now is the perfect time to consider establishing a business here.

Hampton is good for business

Hampton offers an ideal location for business. You will have easy access to local, regional, national and international markets; a supportive business community; a healthy and well-educated working population; a world-class telecommunications network and competitive operating costs.

Hampton is good for the soul

Hampton is situated in a scenic and rural area where there are many points of interest and beautiful natural scenery from rolling hills, pristine waterways and world renowned wetlands to historic architecture, farmland and wildlife. Hampton's rich heritage and culture, welcoming atmosphere and abundant recreational opportunities inspire all who visit, live, work and play here.

Hampton is good for balance

With four public schools; two theatres; an outdoor swimming pool; an indoor arena; green space and playgrounds; rental facilities and a wide array of existing businesses offering services from recreation, physical fitness, dining, accommodation, live entertainment and childcare to medical, dental, pharmacy, veterinary, hair styling, banking, automotive, legal, and accounting, Hampton truly is the perfect location to balance the professional and personal sides of life.
